

### Agreement of integrity

The missionary agrees to the following procedure if in the opinion of Mission Quest, it becomes necessary. In the event a question shall arise concerning the legal, moral, doctrinal or financial integrity of the missionary, Mission Quest shall ask for a meeting with the missionary and any of his donors. If any of the financial, legal, moral, doctrinal allegations prove to be true, Mission Quest has the right to stop its partnership with the missionary, delete his/her page on MQ's website, and stop handling any of his/her donations.

I read and understand this agreement, and will always hold the highest level of integrity for the sake of the Gospel.
